### Cold room panels with 80 mm insulation

Our range of cold room panels are available with 80 mm or 120 mm of effective polyurethane insulation and comes in various sizes. They have an easy interlocking system which makes assembly quick and hassle-free. The modular panels are interchangeable, so you can move the position of the door and adapt the room to fit your needs. Monoblock refrigeration units can be ordered separately.  
Incl. spareparts 1 year
