High-end Backbar Cooler

Many customisation possibilities|Removable cooling unit for easy service|Fast pull-down of temperature|Adjustable plate shelves|White LED lighting|Skinplate exterior/interior|Digital controller and temperature display|Ventilated cooling|Optional lock

High-end backbar with unlimited options

The SCL Combi-Line from Serrco offers a range of opportunities. It comes with solid doors as standard but can be customized with different modules/fronts to meet your needs. It features adjustable plate shelves and white LED lighting. The cooling unit is installed as a removable module, which reduces service time from hours to mere minutes.

Incl. spareparts 1 year
