High-end Backbar Cooler

Many customisation possibilities|Removable cooling unit for easy service|Fast pull-down of temperature|Adjustable plate shelves|LED Color light with remote control|Skinplate exterior/interior|Digital controller and temperature display|Ventilated cooling|Optional lock

High-end backbar with LED Color lighting

The SCL-GMU+ Combi-Line from Serrco offers a unique product presentation. Equipped with LED Color lighting, you can tailor the color and gradient of the lights to fit your bar atmosphere using the included remote control. You also get the clever Serrco cooling solution with a removable cooling unit, which reduces service time from hours to mere minutes, ensuring you always have chilled beverages ready for your guests.

Incl. spareparts 1 year
