High-end storage cooler for kegs

The KSC Keg Storage Cooler from Serrco is built for busy bars, with sturdy shelves storing 7 x 20L kegs or up to 7 crates. Pair it with the SFK keg cooler for pre-cooled keg availability. Its scratch-resistant skinplate exterior ensures a flawless look, while the removable cooling unit minimizes downtime. A mobile frame with robust wheels is available for event setups, making it a versatile and reliable choice. Incl. spareparts 1 year
