Scoop ice cream freezer with curved glass sneezeguard

ISA have a superb reputation in the ice cream world for making quality ice cream displays. The Isetta comes in 3 different sizes to suit most needs holding between 4 and 7 flavors of ice cream. A glass sneezeguard (flat or curved) and internal light help create an attractive display and make the most of the ice cream you are selling.

Refrigerated under storage can easily be accessed through the rear door (except 4ST/LX).
