Scoop ice cream freezer - angled and with serveover

The IC-SO range of scoop ice cream freezers offers great quality at a competitive price. The model has flat sliding lids that allow easy access to the ice cream for serving and help insulate the unit when not in use. It has a serve over glass top and is ideal for branding to attract more attention to the unit and its cold content. The freezer is optimized for baskets that can hold 5 l plastic tubs in the top and room for storage underneath.
