Ice Cream Freezer

Great product visibility|Ideal for branding|Curved sliding lids with lock|Includes full set of baskets|LED interior light with switch|Ticket strip included|Castors with brake

Modern display chest freezer

The IDB range of ice cream freezers is solid built with an alu frame to the front and back. The slightly curved glass sliding lids come with sturdy handles that double as the ends of the top frame, sealing the chest freezer nicely and preventing air slipping in and out. It has an amazing LED lighting in the front for highlighting the frozen goods, and it comes with a full set of baskets.

Incl. spareparts 1 year
