Refrigerated glass counter with extra shelf space

The LPD-3F range of refrigerated display counters has a flat double glazed glass front/top and comes with an extra shelf. It is a premium design made with high quality materials and is available in several sizes. It has great features such as 3 frosted glass shelves with LED lighting underneath, an anti-mist front, and an efficient ventilated cooling system. Sliding doors provide easy access to the content.

Incl. spareparts 1 year
